*"Leggevo alla sera, prima di addormentarmi, le parole in ordine alfabetico sul vocabolario; lo tenevo sempre sul comodino, la copertina era color rosso e grigio e non vedevo l'ora di arrivare alla lettera esse, mi è sempre piaciuto il suono della lettera esse, e ricalcarla sul foglio pure, come due curve, o un serpentino, o qualcos'altro di simile."*

*"I read in the evening, before falling asleep, the words in alphabetical order in the dictionary; I always kept it on the bedside table, the cover was red and gray and I could not wait to get the es letter, I always liked the sound of the es letter, and tracing over on the sheet as well as two curves, or a little snake, or something similar."*
