

# Aria

## THE SIMPLICITY OF TRADITION

Aria is a surface mounted made of die-cast aluminum with cathaphoresis treatment and a layer of polyester powder coating, resistant to outdoor environments, suitable for wall or ceiling installation.

It features an ultra-diffusing screen that, combined with the Edge-LED arrangement of the Mid-power LEDs, ensures high luminous efficiency.

Its minimal lines and extremely compact dimensions make it a highly adaptable product, also thanks to its elegant appearance

*Aria è una plafoniera realizzata in alluminio pressofuso e trattamento di cataforesi con strato di vernice di polvere di poliestere resistente agli ambienti esterni, adatta all'installazione a parete o soffitto.*

*È dotata di uno schermo ultra diffondente che unito alla disposizione Edge-led dei Mid-power Led garantisce grande efficienza luminosa.*

*Le linee minimali e le dimensioni assolutamente compatte la rendono un prodotto certamente di facilissima adattabilità, grazie anche ad un aspetto elegante.*
