**A NEW RHYTHM OVER ALL THINGS,
SETTING THE WORLD TO SPIN IN A GRACEFUL DANCE**

A new concept of outdoor lamp, a modular system that offers the possibility of modeling and changing even over time, based on the needs of the user.

Composed of 3 main emission sources: CAPSULE, in anodized aluminum, is proposed as an elegant light source with a modern design which evolves into STILLA, more decorative and easy, and finally SPOT, a projector for more technical installations.

The combination of these three light sources with the various installation accessories offers multiple lighting solutions.

Una nuova concezione di lampada per esterni, un sistema modulare che offre la possibilità di modellarsi e cambiare anche nel tempo sulla base delle esigenze del fruitore.

Composta da 3 fonti emissive principali: CAPSULE, in alluminio anodizzato si propone come una fonte luminosa elegante e dal design moderno per poi evolversi in STILLA, più decorativa e d'atmosfera e per finire SPOT, un proiettore per installazioni più tecniche.

La combinazione di queste tre fonti luminose con i vari accessori per l'installazione offre molteplici soluzioni illuminotecniche.
