

# Muse Stilla Bollard

**A NEW RHYTHM OVER ALL THINGS,  
SETTING THE WORLD TO SPIN IN A GRACEFUL DANCE**

Muse Stilla is part of a new outdoor lighting concept built around modularity and adaptability.

With its softly diffused form and decorative appeal, Stilla offers a more ambient, approachable option within the Muse range—ideal for residential, hospitality, and landscaped environments.

Crafted from sandblasted Pyrex glass and securely sealed to ensure IP65 protection, Stilla pairs with a selection of installation accessories—including Base, Box, and Bollard—to suit a variety of fixed applications.

This modular approach allows Stilla to evolve with project needs over time, offering cohesive lighting flexibility across architectural settings.

*Una nuova concezione di lampada per esterni, un sistema modulare che offre la possibilità di modellarsi e cambiare anche nel tempo sulla base delle esigenze del fruitore.*

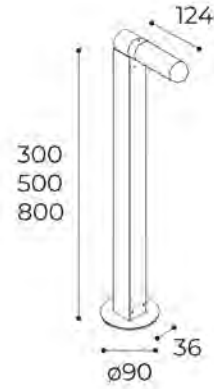

*Composta da 3 fonti emissive principali: CAPSULE, in alluminio anodizzato si propone come una fonte luminosa elegante e dal design moderno per poi evolversi in STILLA, più decorativa e d'atmosfera e per finire SPOT, un proiettore per installazioni più tecniche.*

*La combinazione di queste tre fonti luminose con i vari accessori per l'installazione offre molteplici soluzioni illuminotecniche.*
