## **A NEW RHYTHM OVER ALL THINGS, SETTING THE WORLD TO SPIN IN A GRACEFUL DANCE**

A new concept of outdoor lamp, a modular system that offers the possibility of modeling and changing even over time, based on the needs of the user.

Composed of 3 main emission sources: CAPSULE, in anodized aluminum, is proposed as an elegant light source with a modern design which evolves into STILLA, more decorative and easy, and finally SPOT, a projector for more technical installations.

The combination of these three light sources with the various installation accessories offers multiple lighting solutions.
