

Nail

STEADY LIKE A LIGHTHOUSE THAT GUIDES SAILOR HOME

Pole top made of die-cast aluminum, finished with cataphoresis treatment and a layer of polyester powder coating, resistant to outdoor environments.

Nail is characterized by a clean and essential design, efficient and adaptable to any type of installation.

Equipped with Power LEDs in 3000K color temperature, it is available in two versions: with optics or with a diffused beam, thanks to frosted glass.

The power supply is integrated into the pole, using a special sealed capsule that is easy to install with connectors.

The variety of pole heights and the available in sand and white colors make NAIL suitable even for residential settings.

Testa palo in alluminio pressofuso, finito con trattamento di cataforesi e strato di vernice di polvere di poliestere resistente agli ambienti esterni.

Nail è caratterizzato da una linea pulita ed essenziale, efficiente e che si adatta facilmente ad ogni tipo di installazione.

Equipaggiato con Power Led, nella colorazione 3000K, si propone in due versioni: con ottiche oppure con fascio diffuso grazie al vetro sabbia-to.

L'alimentazione è integrata nel palo, grazie ad una speciale capsula stagna di facile installazione grazie all'utilizzo di connettori.

La proposta di molteplici altezze per i pali e i colori sabbia e bianco, rendono NAIL adatto anche ad un ambito residenziale.

Nail Transparent Glass

Ø60/Ø76

Available finishes:

Light Source power led
Supply 220-240V
Dimmer upon request
CRI ≥80
IP rating IP65
Electrical Class I
Application top pole
Diffuser tempered transparent glass

Power 220-240V 36W/Led 40We
Led Colour temp. 3000K
