

# Nothing 1700

## TRACE A LINE IN THE DARK

Trace a line in the dark, enhance the shadows of outdoor spaces, and create the perfect atmosphere.

Elegant, minimal, and perfectly blending into any environment.

Nothing is the element that illuminates without being noticed, designed for those who love light as the true protagonist.

Engineered for in-ground recessed installation, it is available in three heights (500 mm, 1000 mm, 1700 mm) and manufactured from extruded aluminium, anodized and polyester powder-coated for outdoor resistance.

The fixture is equipped with mid-power LEDs, CRI 80, in 2700K or 3000K colour temperatures. IP67 protection is ensured through silicone end caps and a sealed base filled with resin, where the on/off driver is housed.

A 24V version with remote power supply - available as a separate accessory - is also offered.

*Tracciare una linea nel buio, esaltare le ombre degli spazi outdoor per creare l'atmosfera perfetta.*

*Elegante, minimale e perfettamente integrabile in ogni tuo spazio.*

*Nothing è l'elemento che illumina senza farsi notare, per chi ama la luce protagonista.*

*Progettato per l'incasso a terra e disponibile in 3 altezze ( 500mm, 1000mm, 1700mm) è realizzato in alluminio estruso anodizzato e verniciato con polvere di poliestere resistente agli ambienti esterni.*

*Nothing monta mid- power led CRI80 con colorazione 2700K o 3000K e la protezione IP67 è garantita dalla chiusura tramite tappi di silicone all'estremità e resina nella base stagna dove è alloggiato l'alimentatore on/off, in alternativa è disponibile la versione 24V con l'alimentazione remota da ordinare separatamente.*

The light colour of this fixture may shift by approximately ±150K due to the protective resin covering the leds.

La tonalità di colore è soggetta ad una variazione di ±150K dovuta all'applicazione di resina protettiva sui led.
