

Zeus 115

A WAY TO RETHINK SHAPES WE HAVE ALWAYS KNOWN

Zeus Simple lines for a soft design bollard for ground or surface installation.

The white colour of the reflector, in contrast with the structure, gives this bollard a touch of design that makes it suitable for any type of installation, the positioning of the LED board on the product makes it capable of a charming and low-impact light.

The structure in extruded and die-cast aluminium, the glass fixed under the emission source with silicone glue to guarantee the IP seal, steel fixing plate.

Zeus ha linee semplici dal design non banale ed è ideale per l'installazione a terra o su superfici; è prodotto in alluminio estruso e pressofuso, finito con trattamento di cataforesi e strato di vernice di polvere di poliestere resistente agli ambienti esterni.

La scheda led è fissata sotto la testa emissiva ed equipaggiata da Mid-power led disponibili in 2700K o 3000K.

La tenuta IP è garantita dal vetro temprato e segrigrafato, fissato con tecnologia robotica e collante siliconico. La piastra di fissaggio in acciaio.
