

Amak Wall Double Down

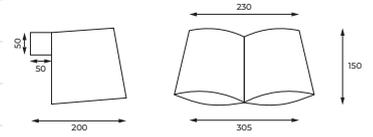

Amak wall is a tapered cone-shaped aluminium lamp available in single or dual emission and dual emission up/down. The top of the lamp has some simple detail cut-outs, enhancing the linear design of the lamp. Finishes are, matt white inside/outside and matt black outside/matt white inside with a transparent, prismatic diffuser within the head of the lamp. Available in 3000K warm white.

IP20
