

Barra

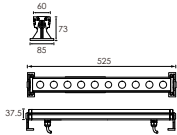

A range of exterior, slim, linear, surface mounted products where minimalism and flexibility combine to create this versatile fixture. Mounted Individually or grouped Barra can be used to create a visual impact. The base is adjustable up to 180° allowing Barra to meet many varied lighting applications such as wall washing, signage lighting, as a path light or in gardens and parks. In addition to the varied wattages and optics and two profile sizes, Barra is also available in a high output option making it suitable for a wide range of wall, linear and indirect applications. Additional accessories include a modular anti-glare louvre and either Dali or 1-10v dimming.

IP68 IK02 IK05

Barra - High Output - 525

Dimensions	525mm x 85mm x 73mm
Finish	Dark Grey (DG) / Custom Colour (CC)
Configurations	Surface Mounted
Code / Description	7724302450 / Warm White 3000K 6x4W Adjustable Beam 50°
Light Source	LED
Lumen Output	2088lm
CRI	80+
Lifespan	50000hrs
Rating	IP68 - IK05
Voltage	24Vdc
