Sphera
LIGHT WITH A DIFFERENCE

Cilindretto is a minimal, cylindrical LED fitting designed and manufactured in Australia. It has a diameter of only 60 mm, making this fixture a contemporary addition to any interior. Available in custom lengths from 140 mm to 4000 mm, Cilindretto is ideal for use in multiple applications as an individual light source or mounted in a cluster as a statement piece. Custom finishes are available for special projects.
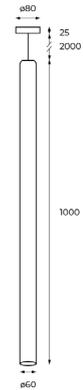

Cilindretto is also available for use with the variable White WIFI LED lamp, allowing you to dim and change the colour temperature from 2700–6500 K, remotely via your smartphone or tablet.
