

Cono

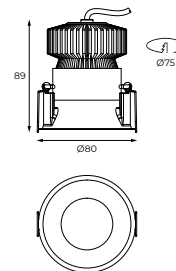

The Cono range is an architectural series designed with a very thin and minimal trim, giving a clean and unobtrusive look and providing a seamless and smooth finish after installation. The deep Aluminium body provides a comfortable optic, reducing excess glare. A unique angled wall wash optic is also available, giving a nice illumination to artwork and feature walls. The ultimate in minimalist recessed downlights, Cono is the ideal luminaire for use in residential, commercial and retail spaces.

IP44    

Cono - 80
