

Din Don takes its name and design from the iconic bell shape. Solid in construction, its form is simple and classical. The Din Don series of hand spun, aluminium luminaires includes wall mounted and pendant options in 3 sizes. Available in a range of standard and custom finishes the pendant version can be suspended individually or in a cluster to create a dramatic visual effect. The fixture's contemporary and modest design lends itself to varied applications including residential, retail and hospitality

IP20
