

Fold Floor

Studio Edwards Design

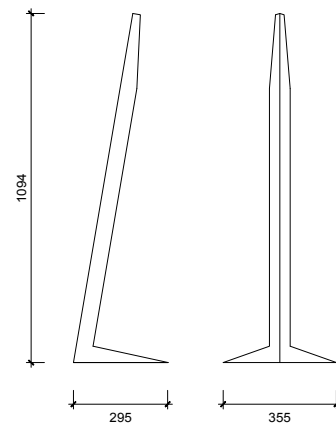

The fold series is designed for both commercial & residential applications. A tapering silhouette appearing to melt into its surroundings, minimal in its aesthetic. Fabricated from 1.6mm folded steel & finished in super-matt ace black. Fold is available as a linear pendant, wall & floor light.

Studio Edwards is an ideas-led design practice providing creative thinking for physical spaces & design across a range of media with a dedication to pushing these disciplines in innovative and unexpected directions. Along with product design, Studio Edwards' work ranges from micro-homes, retail spaces & installations to public buildings & urban spaces. Building on Ben's extensive experience & expertise in the design industry, Studio Edwards applies fresh thinking & experimentation as the main source of differentiation.
