

Lila

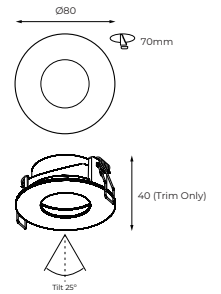

Lila is a range of recessed luminaires utilising high-power and efficient, dimmable LED modules with up to 1300lm lumen output. Available with a round pinhole or oval keyhole aperture, Lila achieves high-intensity, accent lighting with no light spill. Both versions can be tilted up to ± 25 degrees and the downlight has a black internal surface and is deep set for glare control and optimal visual comfort. Lila downlights are suitable for use in residential, retail and various other indoor applications.

IP20    

Lila - 80 Pinhole
