LIGHT WITH A DIFFERENCE

Snap is a versatile dimmable LED spotlight designed for both indoor and outdoor spaces, with flexible installation on the wall, or ceiling. Crafted from die-cast aluminium and finished with anti-corrosion polyester powder coating, it's built to withstand the elements in white, black, corten, grey and green. The extra-clear 4 mm tempered glass diffuser ensures crisp, uniform light, while high-efficiency metallised polycarbonate optics deliver precision with reduced glare and reflection.
