

## Uno

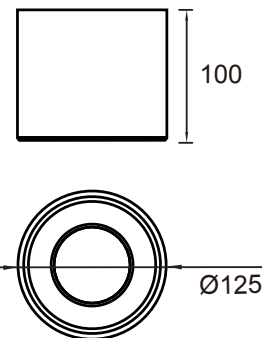

Uno is a surface mounted LED down light in die cast aluminium with no visible screws . It features a powerful LED module, which is recessed into the luminaire housing to provide reduced glare and a faceted aluminium reflector providing a soft uniform light spread. Uno is a natural selection of choice where a wide beam spread is required in Residential, Retail and Commercial applications and is available with a clear glass lens so that it can be used in wet areas.

**IP44**
