 IP40		

Structure made of an epoxy powder coated canopy and three suspensions made of a metal body, two prismatic diffusers in plexiglass and three rectangular flaps in brushed brass.

ABOUT

A slightly Deco inspired lamp. The main body is in black coating and the light is spread through 2 plexiglass prisms and it's wrapped into 3 rectangular brushed brass foils. It is available in different compositions: single or bunch suspension, chandeliers in two different dimension, single or double wall lamp.
