C2 Matte Black + C48 Black Chrome

 IP40

Structure made from a base and a stem in epoxy powder coated metal. Cone made of aluminum painted with epoxy powders, black chrome or brushed brass finish. 270° adjustable light. Methacrylate diffuser.

ABOUT

A new formal and material interpretation of the conical diffuser is the main feature of GORDON lamps. The essential and refined aspect with a strong character that is conferred by the shape of the brass casting; these practical and versatile lamps are suitable to be used in different environments, from the domestic to the working one as in the commercial spaces & 'hospitality'.
