C74 Sand black + Beige fabric and Black net

Structure made of a body and a circular metal base coated with epoxy powders to which the lamp shade in beige fabric and black net is placed

ABOUT

Collection of lamps characterized by an oriental taste, reinterpreting the lightness, sobriety and minimalism of Asian design. These lamps have a metal structure painted with epoxy powder and a coated with mesh diffusor. Versatile and elegant, this collection presents different versions: hanging lamps in three different sizes, a wall lamp, table lamp and floor lamp. These objects give any environment a kind of simple elegance through the sophisticated design and materials.
