Structure made of a metal body and a circular base coated with epoxy powders, on which a fabric lampshade is mounted. Dimmer integrated on cable.

ABOUT

Collection of lamps characterized by an oriental taste, reinterpreting the lightness, sobriety and minimalism of Asian design. These lamps have a metal structure painted with epoxy powder and a coated with mesh diffusor. Versatile and elegant, this collection presents different versions: hanging lamps in three different sizes, a wall lamp, table lamp and floor lamp. These objects give any environment a kind of simple elegance through the sophisticated design and materials.
